20 April 2020

Dear Parent/Carer,

Continued school closure: Coronavirus

I trust everyone had as pleasant a spring break as the circumstances allow. Today we start the summer term, the final term in academic session 2019-2020. Unfortunately the global situation with COVID-19 means that the school will remain closed, and the new term begins with home learning for all staff and young people.

Pupils should therefore log into their Glow accounts once again and begin to access the work that teachers have set. All pupils can continue to communicate with teachers via Glow emails, and subjects have set up platforms, such as Microsoft Teams and Class Dojo, that will allow young people to access learning materials at home. In addition, we have created a dedicated section on our school website entitled *Keep Safe, Keep Learning* (<http://eastbankacademy.co.uk/home/keep-safe-keep-learning>). This has been populated with useful learning resources, and we will continue to update this on an on-going basis. I encourage all young people and families to engage with these as much as is reasonably possible for the duration of the school closure.

I would like to thank you all for continuing to support the school at this difficult time. It through this effective community support that we will be able to get through this successfully together. I trust that everyone will stay well and look forward to welcoming everyone back into Eastbank Academy as soon as it is safe to do so.

Yours faithfully,

A handwritten signature in black ink, appearing to be 'JG', written over a horizontal line.
