Dear Parent/Carers,

Primary 7 Transition to Eastbank Academy

At this stage in the school year we would normally be well underway with the final stages of our Transition programme. Clearly, the situation is not normal. However, I want to assure you that we remain excited to welcome our P7 young people to S1 when the time comes and ask that you share this with your child.

As you are aware, there have been a range of transition experiences throughout the year, including the P6 health and well-being mornings, STEM challenges, P7 Information Evening and the Masterclass opportunities. I expect that you and your child found these to be beneficial in supporting their transition from primary to secondary school. We will continue to work with our associated Primary schools to gain further insight into the learning of our young people.

At this time our Pastoral Care team would normally be carrying out visits to our Associated Primary schools and P7 classes prior to the 3-day visit which was scheduled for June. Please be assured that even though these are not able to take place we remain focused on making your child's physical transition a welcoming experience.

Please continue to check the Eastbank Academy Twitter feed for further updates throughout the months of May/June, following us @Eastbank Academy. In addition, our website (www.eastbankacademy.co.uk) is updated regularly, and we hope to have a school app available soon.

I will make contact again in early course, and please be assured that Mrs Gray, and indeed everyone at the Academy, is eager to make the transition as smooth as possible. I hope that you and your family are safe and well at this difficult time, and look forward to seeing everyone soon.

Yours faithfully

Mr J. Graham
Head Teacher
